Matt,

On behalf of FES Ltd I would to thank all staff and operatives at Natta Building Company Ltd that were involved in the Athletes Village. Natta played a major part in this project being successful and was an excellent part of the FES Ltd project team. Natta excelled with all construction works, and had excellent Health & Safety standards.

I would like you to pass on FES Ltd's thanks and appreciation to all involved.

We hope that there will be future opportunities for both companies to work together.

Thanks again.

Kind Regards,

Bruce Totten / Commercial Manager / Utilities Division
